

## Literacy

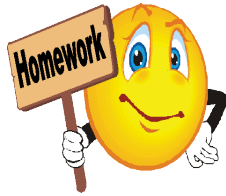

FS1 - This half term we will be learning to mark make in many different ways. In phonics we will be learning some songs.

FS2 - This half term we will be learning to link sounds to letters and read simple words.

### Homework

Read three times every week.  
Complete this half terms homework challenges.

## Understanding the World

We will be learning about animals that live on a farm. We will be linking our findings to the story 'The Pig in the Pond'.

## Physical Development

PE will be on a Wednesday morning for FS2 children.

We will be learning to master moving in a variety of ways.

## Communication and Language

FS1 - We will be learning to listen carefully so that we can follow an instruction.

FS2 - We will be learning to speak clearly and include interesting words in what we say.

What would you find on a farm?

## PSED

We are learning to share and work together without adult support.

## Expressive Arts & Design

We will be learning how to cut with scissors carefully.

We will be role playing the story 'The Pig in the Pond'.

## Mathematics

FS1 - We will be learning to count to 10 and to recognise some numbers. We will be learning the language big, bigger, small and smaller.

FS2 - We will be learning to count to match numbers to groups of objects. We will be learning the language big, bigger, biggest, small, smaller and smallest.
