

English

This term we are reading a book about a little boy who falls down a hole and end up in the Stone Age. We will be writing a narrative based upon the plot of this wonderful book.

We will also be learning about the Stone Age period and writing instructions on how to light a fire.

Homework Challenge We have set 6 exciting challenges covering a variety of areas of the curriculum linked to the topic. Choose which order you would like to do them in, bring them into school and receive dojos!

History

This term we will be learning all about the Stone Age. This will include researching about the people, animals, food, housing, tools and art.

Sports Fun!

P.E will be on Wednesday and Friday, so please keep your PE kits at school all week. On Wednesday we will be doing multi-skills and on Friday gymnastics.

What interesting facts could you find out about the Stone Age?

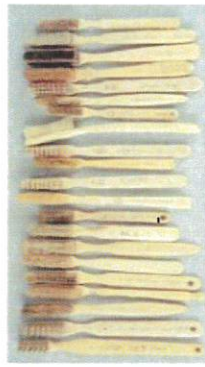

Art

This half term we will be working with and using materials from the Stone Age period to create pieces of art.

Science

In science this term we will be looking at electricity and comparing life styles when it was non-existent.

Grammar

The focus of our grammar work will include punctuating speech and descriptive writing (interesting adjectives, similes, metaphors and personification).

Mission Mathematics

This half term we will be learning how to multiply and divide using formal written methods.
