

Welcome to our new look newsletter, which will hopefully be much more informative and give you more information for the half term ahead.

Easter Bingo

The Easter Bingo was a fantastic success. You managed to raise £637.66 which will go into school funds. Your continued support is invaluable and allows us to provide high quality experiences and resources for your child.

As the spring term comes to an end I would like to take this opportunity to let you know just some of the things the School Governors have been involved in.

In the autumn term governors came together to devise a School Strategy. We were all able to fully consider just what it means to be a pupil at Burton Pidsea Primary School and working closely with the Head teacher we established our Vision for the school. Our Strategy document can be found on the school website on the Governor page. During this term our focus has been on ensuring the school buildings and grounds evolve to meet the needs of our pupils. We anticipate that in the Summer term we will be able to report on some of these improvements.

Governors have taken great pride in seeing our children enjoy some fantastic events in school such as the Healthy Lifestyle week, Indonesian Gamelan workshop and the Red Nose Day Talent Show. It has been a pleasure to see the children soak up these experiences.

On Behalf of the Governors we wish you all an enjoyable Easter break.
Fiona Good (Chair of Governors)

As the financial year ends, we are aware there are still some outstanding payments due to the school - mainly for unpaid dinner money or music tuition. If the debts remain unpaid, we cannot write it off or claim it back from the local authority. It is the school that has to 'foot the bill'. Unfortunately, that means we have to spend part of our limited budget to clear these debts; money that we should be spending on providing resources and opportunities for all the children.

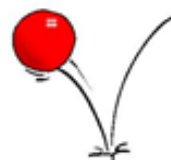

Our values for the following term are:

Honesty

Resilience
