

Welcome back! It is lovely to see you all again to our ever evolving school. We did miss you!

There have been a few changes over the Summer holiday.

Mr Cotton has joined us as our Year 3 & 4 teacher. I am sure he will become a very popular member of our team.

The infant playground has been resurfaced (hopefully making it a lot safer) and will have new surface markings very soon.

Class 3's classroom is currently being enlarged to make it a 'future-proof' classroom. Unfortunately work has over-run so class 3 will have a temporary base in the hall. I am assured the outstanding work will take no longer than 2 weeks to complete.

The internal door to the Foundation Stage unit has been altered to facilitate a security door lock. This is a much preferred system, ensuring all our children stay safe in school.

The local authority have 'pruned' the large trees that hung over our Foundation Stage outdoor area. Whilst the remaining trunks may not be the most visually appealing, I am happy that the area will no longer be covered in leaves, twigs and bird droppings but will be light and sunny - a much nicer environment for our children, I am sure you will agree.

Before we finished for Summer, our parents worked incredibly hard to improve the outdoor environment. Their hard work is looking great but we need a 'finishing off day' to lay the bark in the wild life area, erect sheds, landscape around the outdoor classroom and finish the fencing. Staff will be in school on **Saturday 14th September** to move Class 3 into its new classroom. We would love it if you could come along and help us get the external areas finished before winter draws in!

FOBPSA continue to be fantastic and raise money to enable us to do all the improvements around the school. Thank you Keeley Dunn for completing the *Grim Up North Run* raising money for FOBPSA. If you haven't sponsored Keeley yet, then please go to the FOBPSA fund raising site:
